```
airway company from to departure time arrival time class price
```

This image shows a single sheet of white paper with horizontal ruling lines. The top and bottom corners of the paper are rounded. There are ten evenly spaced horizontal lines across the page, creating nine distinct rows for writing. The paper appears to be part of a notebook or binder, as suggested by the dark binding visible along the left edge.

```
airway company from to departure time arrival time class price
```

This image shows a single sheet of white paper with horizontal ruling lines. The top-left and bottom-right corners are rounded. There are ten horizontal lines in total, creating nine equal-sized rectangular sections for writing. The paper is oriented vertically and appears to be part of a notebook or binder.
